ARMED ROBBERY SUSPECT ARRESTED

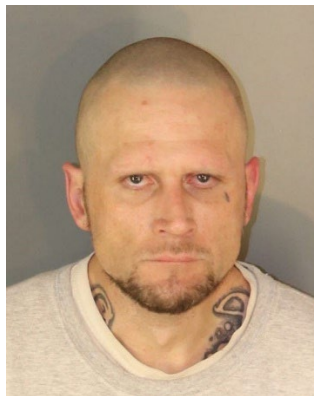

March 16, 2022, – At approximately 2253 hours, Menifee Police Department Officers responded to an armed robbery at the Pieology restaurant located in the 30000 block of Haun Road. The suspect entered the business, wearing dark clothing, and demanded cash from employees at gunpoint. The suspect fled the business toward Haun Road with an undisclosed amount of cash. No one was harmed during the commission of the robbery.

At the time of the initial investigation, there were minimal leads to help with identifying the suspect. Over the course of a few weeks, Detectives from the Menifee Police Department, Riverside County Sheriff's Department, and Fontana Police Department coordinated their efforts. Using law enforcement investigative resources, the agencies were able to identify the suspect as 34-year-old Sean Harris; a resident of Fallbrook.

Harris was found to be on Parole for Burglary and was further identified as the suspect in multiple other armed robberies in Riverside County, San Bernardino County, and San Diego County.

On April 9, 2022, Harris was taken into custody without incident, and was booked into jail for various charges, including the Menifee armed robbery.

The Menifee Police Department will continue to collaborate with surrounding agencies and are committed to using all available resources to ensure that we hold offenders accountable for their actions. We are proud of the team effort that went into this case which resulted in the arrest of a dangerous criminal.
