# VOLUNTEERS

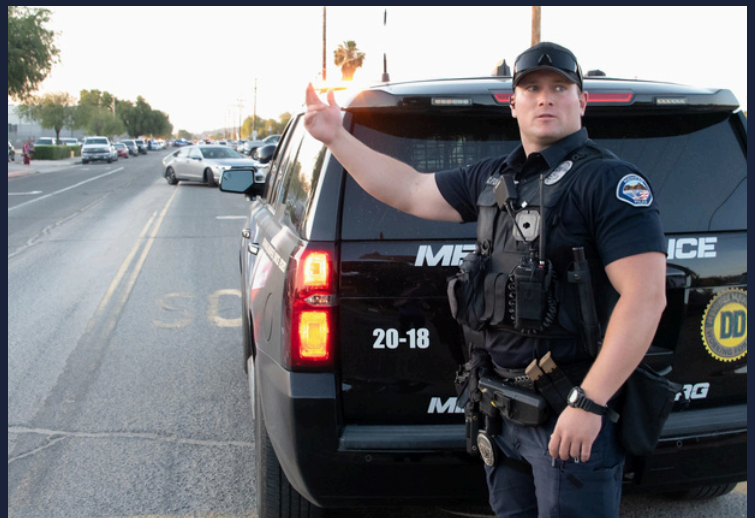

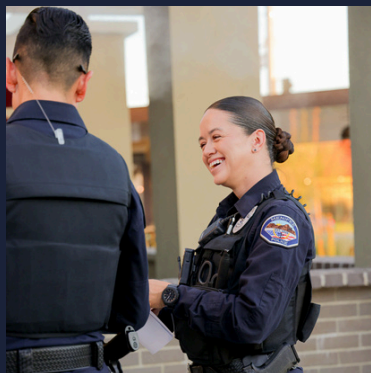

Menifee Police Volunteers serve in every area of the department including administration, investigations, patrol, and community services. Our goal is to provide prospective volunteers with a variety of opportunities to serve. Volunteers currently oversee programs such as Project Lifesaver, You Are Not Alone (YANA), and the Reunification Project. In 2024, 8 community members successfully graduated from Volunteer Academy Class 3.

# EXPLORERS

The Police Explorer program is designed to offer young adults, ages 14 to 20, who are interested in a law enforcement career, valuable hands-on experience in the field. The program's primary goals are to help participants explore career paths in law enforcement and inspire them to become responsible and engaged citizens within their communities and the nation. As part of the program, all members are required to attend a Police Explorer Academy within their first year of joining. This year, the Menifee Police Department successfully hosted its own academy, proudly graduating nine Explorers. Bringing the programs total to 17.
