Case #MN25-2557

MAJOR INJURY TRAFFIC COLLISION

Menifee, CA – On June 23, 2025, at approximately 5:36 p.m., the Menifee Police Department responded to a vehicle versus an E-bike traffic collision at the intersection of Scott Road and Bellamy Lane involving a red Jeep Cherokee and a black electric bicycle.

Upon arrival, officers located a male juvenile suffering from severe, but non-life-threatening injuries, and a 28-year-old female driver, who did not sustain any injuries. The male juvenile was transported by AMR to a local hospital. Both the male juvenile and female driver are residents of Menifee. The Menifee Police Department's Traffic Unit responded to the scene and assumed the investigation.

Preliminary findings indicate that the female was operating the vehicle, which was traveling eastbound on Scott Road, and the male juvenile was traveling southbound on Bellamy Lane on the E-bike. The male juvenile continued riding southbound across Scott Road. The vehicle veered to the right to avoid the collision; however, was unable to do so and collided with the E-bike. The vehicle then collided into a fence. Impairment is not suspected to have been a factor in this collision.

This investigation is ongoing. Anyone who witnessed the incident or has additional information is asked to contact Officer Gonzalez with the Menifee Police Department Traffic Unit at (951) 723-1634, or the Traffic Unit at (951) 723-1500.
