Case #MN25-5124

MAJOR INJURY TRAFFIC CRASH

Menifee, CA – On November 26, 2025, at approximately 11:51 a.m., the Menifee Police Department responded to a traffic collision involving a Subaru passenger vehicle and a small motorized “pocket bike” at the intersection of First Star Court and Menifee Road.

Upon arrival, officers contacted the driver of the Subaru, a 36-year-old male resident of Menifee, and a juvenile who had been operating the pocket bike. The driver of the Subaru reported no injuries as a result of the collision.

The juvenile was not wearing a helmet and was thrown from the pocket bike upon impact. Medical personnel responded to the scene and assessed the juvenile, who sustained a fractured right wrist and abrasions. The juvenile was conscious and alert at the time of contact. A parent was notified and responded to the scene, subsequently transporting the juvenile to a medical facility for further treatment. The injuries are not considered life-threatening.

The Menifee Police Department Traffic Unit responded and assumed the investigation. Preliminary findings indicate the pocket bike was traveling on the wrong side of the roadway at the time of the collision with the Subaru. Drugs and/or alcohol are not believed to be contributing factors in the crash.

This investigation is ongoing and anyone with additional information is encouraged to contact Officer Clay with the Menifee Police Department Traffic Unit at (951) 723-1566 or the Traffic Unit at (951) 723-1500.
