## 41 Cited During Bicycle, Pedestrian Safety Operation

**Menifee, CA** – The Menifee Police Department issued 41 citations for a variety of violations made by drivers during a bicycle and pedestrian safety operation on Wednesday, December 17, 2025, in the City of Menifee. Additionally, a driver was arrested and cited for driving on a suspended license for a prior DUI. That vehicle was also impounded for the suspended driver’s license.

The operation took place throughout several streets and intersections between the hours of 3pm-7pm. 41 drivers and/or pedestrians were contacted during the operation and cited. The locations observed by officers were frequently traveled by pedestrians and bicyclists.

“Safety is a shared responsibility, with drivers holding the greatest responsibility to keep others on the road safe,” Chief Chris Karrer said. “We hope this operation serves as a reminder to everyone to look out for one another.”

The Menifee Police Department will be holding another bicycle and pedestrian safety operation soon, but a date has not been determined yet. A news release will be sent out when that date is selected.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
